

# Lawyers Alert

---

## FRAMEWORK DOCUMENT

### **Introduction**

Lawyers Alert is an established Human Rights Organization with an internationally recognized track record of successful intervention in relation to Human Rights abuses in Nigeria. It is made up of lawyers and other professionals with members across the 36 states of Nigeria. It builds capacity on essentially eco-socio rights, advocacy/legislative engagement, and organizational development. Its programs are essentially the monitoring of rights violations, legal assistance and interventions geared towards enhancing good governance. Lawyers Alert was founded in 2002.
